

Hearts Desire

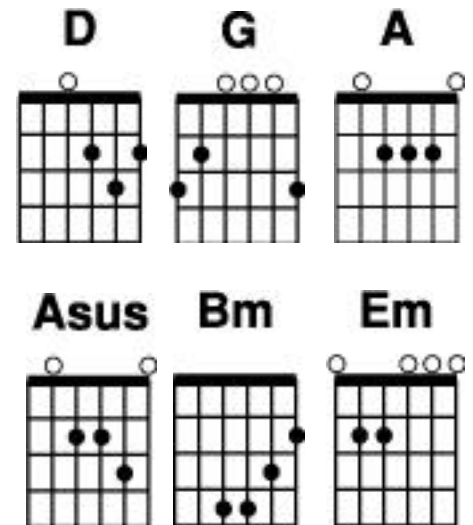

D **G**
I have looked far and wide
D **G**
And I have looked low and high
Em
But I have found that the one I needed
G D
Was here all along

D **G**
I have searched in the darkest of nights
D **G**
And I have searched where my heart could light
Em
But it wasn't until you opened up my eyes
G D
that I could finally see

D **G** **A**
You made a way for us to come
D **G** **A**
By giving us Your only Son
D **Em**
You took away the veil
D **Em** **A-Asus**
Through the cross and the nail

(repeat)
