

If I Have To

G **C** **G**
If I have to, be lowered through a roof
C **D**
On a stretcher, carried by another's strength
G **C** **D**
Just to see You and know you really care
Em **C** **G** **D**
Then I'll do what I have to just to see You
Em **C** **G** **D**
Then I'll do what I have to 'til I find myself there
Em **G** **D**
So, take me as I am, Lord, and test my faith
C **G** **D** **G**
'Til You say, "Your sins are forgiven you"

G **C** **G**
If I have to, push my way through the crowds
C **D**
In the hopes that You just might pass my way
G **C** **D**
Just to touch You and find healing in Your wings
Em **C** **G** **D**
Then I'll do what I have to just to touch You
Em **C** **G** **D**
Then I'll do what I have to 'til I find myself there
Em **C** **G** **D**
So, take me as I am, Lord, and test my faith
C **G** **D** **G**
'Til You say, "Your faith has healed you"
