

**G C G**  
If I have to, pour out my best perfume  
**C D**  
A sweet aroma intermixed with many tears  
**G C D**  
Just to know You and wipe Your feet with my hair  
**Em C G D**  
Then I'll do what I have to just to know You  
**Em C G D**  
Then I'll do what I have to 'til I find myself there  
**Em G D**  
So, take me as I am, Lord, and test my faith  
**C G D G**  
'Til You say, "My love has covered you"

**G C G**  
If I have to, though I've denied You many times  
**C D**  
Face tribulation even death upon a cross  
**G C D**  
Just to follow and proclaim You are the Son of God  
**Em C G D**  
Then I'll do what I have to just to follow—You  
**Em C G D**  
Then I'll do what I have to 'til I find myself there  
**Em G D**  
So, take me as I am, Lord, and test my faith  
**C G D G**  
'Til You say, "Your sins are forgiven you"  
(repeat)

**Em-C D G**  
"Your faith has healed you"  
**Em-C D G**  
"My love has covered you"  
**C D G**  
"Well done my prized and chosen one"
