

I've Been Thinking

Intro: D - Em7/D - Bm - A - Em7/D - D

Well it's Your unfailing love that I've been thinking of
 And how You've kept me all my life, yes, even when I've run

Now I know I cannot stand upon the strength of man
 But only in Your grace and by the power of Your right hand

So here I am once again
 Before Your throne Lord I stand

I will gladly bow my knee
 Do with me as You please

Lord it's You I choose to serve, I will stand upon Your word
 All glory and all power truly only You deserve

For You came down from Your throne and You made the Father known
 Just like a shepherd calls his sheep, You're gathering Your own

So here I come Lord of love
 I hear Your song from above

I will run for You my King
 You're the One I want to please (to 1st chorus)
