

# No More Compromise!

**D** **A**  
 I don't want my love to grow cold  
**D** **G**  
 So I'm gonna look to You  
**D** **A** **Bm** **G**  
 Because You are my righteousness and Your love is true  
**D** **A** **D** **G**  
 I'm gonna run the race as if to win the prize  
**D**  
 No more compromise!

**Bm** **G**  
 The life I live is not my own  
**Bm** **G**  
 I give up my will at Your throne  
**A**  
 I want to be completely free **A** (to repeat)  
**Bm** **D** **A** **D** **G**  
 To have the Love of Christ control me  
 (E **F#m** to go to bridge)

**D** **A** **D** **G**  
 I don't want to make excuses and I don't want to lie  
**D** **A** **Bm** **G**  
 I know there's so much in me that has to die  
**D** **A** **D** **G**  
 But I want to live a life that's worthy of Your call  
**D** (E **F#m** to go to bridge)  
 I'm giving You my all

**D** **E** **F#m** **D** **E** **F#m**  
 All of creation is longing for the revealing of the sons of God  
**D** **E** **F#m**  
 For all of those who will lay down their lives  
**D** **E** **D**  
 The Life of Christ will shine through them (to chorus)

Chords used in this song:
