

# Pure Devotion

Lord You are good, Lord You are kind

You're changing our hearts and renewing our minds

For this is our goal, a love that is pure

To love You with all of our heart and our soul

Is what we were made for

Lord You are holy, we know there is no one like You

The heavenly Bridegroom, oh Lord,

You are faithful and true

Boundlessly loving us, changing us into the one You will

Take as your bride

Help us stay true, with pure devotion to You

Your word is truth, as sharp as a sword

Your judgments are sure, more precious than gold

So now let Your word, go straight to our hearts

Removing the darkness

And making us true in the innermost parts

Chords used in this song:
